

Finest Attorneys

Henry and McCord

The *News*' readers have voted Henry, McCord, Bean, Miller, Gabriel & LaBar, PLLC, Tullahoma's Finest Attorneys.

"To our knowledge, this is the first time since the *News* instituted voting for Tullahoma's Finest

that an entire law firm has been nominated and elected as Tullahoma's Finest Attorneys," said Rick Gabriel. "For this to have happened while we are in the process of celebrating the firm's 60th anniversary is especially gratifying."

The firm has grown over the years, and currently has five partners, each of whom practices in a different area of law. According to Roger J. Bean, an attorney with the firm for over 30 years, Henry & McCord is one of the few firms in the area in which each lawyer practices in different areas, and this allows the firm to better serve its clients, rather than having five lawyers all operating in a general practice.

Jim Henry's practice deals primarily with the representation of closely held businesses, combined with estate planning and estate administration, while Bean deals with primarily with litigation.

Clifton Miller's practice consists primarily of commercial and construction litigation and banking and school law. Gabriel's practice deals primarily with real estate, and John LaBar's practice deals primarily with business and corporate transactions and litigation.

"We are lucky to have an incredible staff consisting of five paralegals and legal assistants, an office manager and a receptionist, each of who understand this philosophy and who do an excellent job of taking care of our clients," said Henry. "This award is, to a large degree, a result of the efforts of our staff, and they are the ones who should truly be honored by this vote."

The firm is located at 300 N. Jackson St. and the number is 455-9301.

Finest Dry Cleaners

Snowwhite Dry Cleaning

Billy Dean Allen of Showwhite Dry Cleaning and Laundry Inc., located at 701 S. Jackson St., was named this year's Finest Dry Cleaner. This is his ninth year to win the award.

Billy Dean Allen

"This award makes me very proud of my employees, because they keep our loyal customers satisfied and happy," Allen said.

Allen said teamwork among the employees is the key to Snowwhite's success.

Also, Snowwhite is a certified master dry cleaner by Sanitone.

"Sanitone provides us with great products and procedures to do what we do."

Snowwhite Laundry is one of the old-

est businesses in Tullahoma, having been in business since 1947.

Allen purchased Snowwhite in 1974.

"If we are special, it's because we treat our customers special," he said.

The *News* readers must agree, because

Allen's business has

captured Tullahoma's Finest Dry Cleaner Award every year since the contest was begun.

"We meet our customers' needs by providing them with excellent quality work and superior service. We offer our customers free pick-up and delivery service," Allen said.

"We are very grateful to the public for voting Snowwhite the finest dry cleaner again this year."

Finest OB/GYN

Dr. Michael Good

Dr. Michael Good has been honored as Tullahoma's Finest obstetrician/gynecologist in this year's Tullahoma's Finest contest.

A native of Chattanooga, Dr. Good and his wife Delynne, a licensed practice nurse, moved to the Tullahoma area and opened their practice here in January 2007 because they wanted to be closer to family members living in Manchester and Sparta.

Dr. Good received a Bachelor of Science in chemistry from Mars Hill College in North Carolina and his medical degree from East Carolina University in Greenville, N.C.

Following completion of his residency at the University of Tennessee in Knoxville, Dr. Good practiced for 12 years in McMinnville and for two years in Savannah, Tenn., before moving to Tullahoma.

He and his wife work together as a team to give their patients the best of care,

Dr. Michael Good

he said, adding that having his wife as the head nurse in his office is a real asset.

"She's my right arm. I don't know what I'd do without her," he said.

"She is extra helpful with talking to the younger patients; she is someone they feel like they can talk to easily," he added.

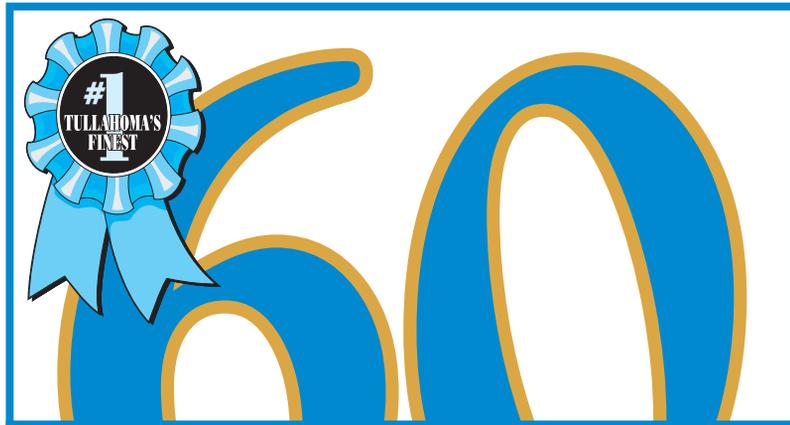

"Good's receptionist, Dawn Lendley, bragged about his 100 percent reliability.

"He's really down to earth," she said. "He truly cares about his employees and his patients."

He and his wife have made their patients a priority, and it is an honor, he said, to be named Tullahoma's Finest OB/GYN in the community survey.

"This is a real compliment, and I'm very humbled," Dr. Good said.

Dr. Good's practice is located at 1501 Cedar Ln., Tullahoma.
